SEAL SHIELD™ Waterproof Univesal Remote Controls

100% Waterproof Spillproof Dishwasher Safe Guaranteed

Controls Multiple Home Theater Devices
Our large code base means it is easy to find the codes needed to operate not only your TV, but also your DVD, Satellite, Cable Box, VCR, Audio Receiver and more!

Easy to Use. Easy to Clean.
Simply key in the code for your A/V device and you are ready to go! Have an A/V device not listed? Simply have the Seal Shield remote learn the commands. The remote can be put directly into the dishwasher at any time with no additional setup required.

High Performance Ergonomic Technology
Smooth shape conforms to your hand. Punch-through for volume and channel control. Control your home theater with one remote. Backlit screen for easy viewing.

Model STV3

Great for Hospitals and Hotels
The TV Remote is great for locations where common-touch items need to be cleaned and disinfected regularly.

Easy to Use. Easy to Clean.
Simply key in the code for your TV and you are ready to go! Have a TV not listed? Simply have the Seal Shield remote learn the commands. The remote can be put directly into the dishwasher at any time with no additional setup required.

Controls Most Major TV Brands
Our large code base means it is easy to find the codes needed to operate your TV and have the Seal Shield remote operational in no time!

Model STV1

100% Waterproof Guaranteed
The Seal Shield electronic waterproofing process (Patent Pending) makes the Universal Remotes spillproof, fully submersible and dishwasher safe. The Seal Shield Universal Remotes are rugged and safe and are backed by a 1-Year Limited Warranty.

Family Friendly
We love our kids, but kids can be hard on a remote control unit. The Seal Shield Home Theater Remote is safe and can stand up to whatever little ones can dish out. When you have a family, spills, runny noses and coughs are a way of life. Kids don't always wash their hands, so you need a remote that can be washed frequently.

100% Spillproof
Accidents happen. Small spills, big spills, even complete submersion Seal Shield can handle it. Whenever accidents happen, or just to keep the Universal Remotes clean, rinse them off under the faucet, soak them in the sink, or put them in the dishwasher. Your remotes comes out clean and ready to use.

Dishwasher Safe
Seal Shield Universal Remotes are easy to clean. Just put them in the dishwasher to thoroughly clean and disinfect the units. Our exclusive waterproofing process makes it fast and easy to go straight to the dishwasher for cleaning.

Silver Seal Antimicrobial Protection
Silver ions embedded in the plastic provide antimicrobial protection and resist microbial growth and spread of odor-causing bacteria. Safe and effective.

Good Housekeeping Seal of Approval
The Seal Shield Universal Remotes with Silver Seal protection have earned the seal after evaluation or review by the Good Housekeeping Research Institute.
